

## An invitation to join our Patrons Program

The National Gallery of Victoria contributes enormously to the cultural, educational and social life of Victorians. We must continue to inspire our own and future generations by adding historic and contemporary masterpieces to our collection.

Help us ensure the NGV remains a vibrant and stimulating cultural destination – one of the world's great galleries.

We invite you to join the Patrons Program by making, annually, a fully tax deductible donation. All funds from the program will be dedicated to the Art Acquisition Fund. If you wish, your annual donation can be directed to one of our dedicated collection support groups: Indigenous; Contemporary; Asian and Decorative Arts.

The Art Acquisition Fund, supported by our Patrons, will enable the NGV, for example, to seize opportunities at short notice, giving us the funds to bid at auctions, when critically important works suddenly come on to the market.

Your support is very much needed and will provide a vital source of funds for enriching our collections, to be used and enjoyed by our own and future generations.

Director

All donations will be dedicated to the Art Acquisition Fund. If you wish, your annual donation can be directed to a specific area of interest.

NGV Patrons will be regularly acknowledged in publications such as *Gallery Magazine*, the Annual Report and the NGV's website. As a special member of the NGV family, there will be opportunities for further involvement in the life and activities of the Gallery.

We invite you to join the Patrons Program by making, annually, a fully tax deductible donation at the following levels.
