HOKUSAI 北斎

UNTIL 15 OCT 17
OPEN 10AM–5PM DAILY
GROUND LEVEL | NGV INTERNATIONAL

Katsushika Hokusai is regarded as one of the most influential and creative minds in the history of Japanese art. His unique social observations, innovative approach to design and mastery of the brush, made him the most famous and popular artist of Edo period Japan as well as an internationally recognised artist. As a self-proclaimed 'Old man mad about drawing', Hokusai was known by at least thirty names and was renowned for his unconventional behaviour. Despite gaining fame during his lifetime, he never attained financial success. His years of greatest artistic production were conducted in poverty, living in a hut by the Sumida River or spent travelling, drawing and painting.

Hokusai features 129 prints, four paintings and ten rare books on loan from the Japan Ukiyo-e Museum, Matsumoto, with special features including a selection of Hokusai's early works and complete sets of his most famous series', including *Thirty-six views of Mount Fuji*, *Tour of famous waterfalls*, *Unusual views of celebrated bridges*, *Eight views of the Ryukyu Islands*, *Birds and flowers* and *Ghost tales*. A selection of NGV Collection works including *The great wave off Kanagawa* is exhibited as focus points beside corresponding works from the Japan Ukiyo-e Museum.

Further highlights of the exhibition include a section of Hokusai's books, featuring his iconic Manga (comical drawings) in special multimedia projections. A further selection of original Hokusai paintings, on loan from Japan Ukiyo-e Museum, mark the first time Hokusai's works in this medium will be exhibited in Australia.

NGV ASIAN ART

The NGV has collected art from the countries of Asia since 1862, one year after the Gallery was established. Hokusai's *The great wave off Kanagawa* c.1830 is one of several thousand works of art in the NGV's Asian art collection. The NGV's Asian art galleries, including a gallery dedicated to Japanese art, are a valuable teaching and learning resource for supporting language, arts and humanities learning areas, and the Cross-Curriculum Priority of Asia and Australia's engagement with Asia.
