

MYSTERY MAKING!

N G
V

A game for two or more players

A blob of clay can be turned into anything with your handy skills and imagination. What about a cat, a cup or a cauliflower? In this fun making and guessing game, take turns in creating objects and guessing what they are.

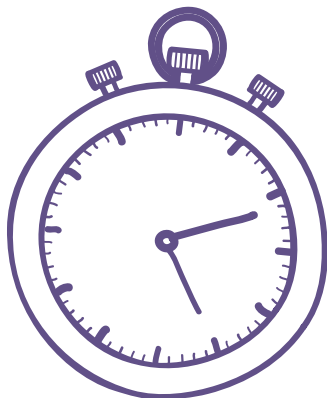

GET STARTED!

You will need a tub of Giotto Bebe modelling clay, a die and this activity sheet. If there are more than two people in your group, divide into two teams.

HOW TO PLAY!

- 1 Youngest team member rolls the die.
- 2 Flip over this instruction sheet and match the number of the die with one of the numbered boxes. Choose an object without anyone else seeing (*Shh! don't tell anyone ...*). For example, if you roll a four, pick an object from the box labelled four.
- 3 Make the object from modelling dough for your team members to guess what it is.
- 4 If a team member guesses correctly, score a point and give the other team a go.
- 5 Take turns until the first team scores five points.

SUPER CHALLENGE

Pick a category and see how many things you can make in sixty seconds! Use your phone or watch as a timer.

ONE

ANIMALS IN THE WILD!

snake fish
lion bird
bear turtle

TWO

EAT YOUR GREENS!

spinach carrot
broccoli peas
lettuce tomato

THREE

STOP AND SMELL THE FLOWERS!

daisy grass
rose tree
gum leaf twig

FOUR

HOUSEHOLD OBJECTS!

plate tea cup
water bottle table
bed chair

FIVE

FRUIT SALAD, YUMMY YUMMY!

apple pineapple
strawberry banana
pear grapes

SIX

ON THE FARM!

cat cow
chicken pig
dog worm
