Have you ever looked up at the clouds and thought the shapes look like animals or people, or perhaps you’ve seen a face form in your dinner?

Look at the squiggles and ink splatters on the next pages ... what do you imagine they could be a part of or become? Perhaps the beginning of a face, a car, a dog or anything at all! It’s entirely up to you and your imagination.

**ACTIVITY**

Play this drawing game with your family. Each person draws a quick squiggle on a piece of paper and gives it to the person next to them to complete. Have fun seeing what everyone creates with your squiggles!

Grab a pencil and let’s go!
