

MYSTERY BIRDS

with Siena Mayutu Wurmarri Stubbs

Siena is a young Yolŋu artist of the Gumatj clan of the Yirritja moiety. Her homeland is Bawaka in East Arnhem Land. When Siena was a child, she would walk with her dad and Binga Binga the dog around her home in Yirkala taking photos of birds along the way. Siena published her photos and stories in a book called *Our Birds* (*Nilimurrungu Wäyin Malanyinha*).

Who Am I? Look at the shapes below and find the matching birds in the NGV Garden.

Can you find my parents? They have green feathers and love to eat grass seeds.
