FRIENDSHIP SPEED DATING WITH LADIES OF LEISURE

Looking for your creative soulmate, future bestie or just someone to chat to?

This workshop with Sally and Sav from creative collective, Ladies of Leisure is about connecting, breaking through social awkwardness, and making new friends.

In this activity you will chat to some new people in friendship speed dating-style sessions. You will talk with one person for 5 minutes before the bell sounds and then move on to the next.

Here are some ideas of questions you can ask each other or feel free to make up your own.

The NGV Teens program is generously supported by Beatrice Moignard, The Betsy and Ollie Polasek Endowment, The JTM Foundation, Rachel Kwei and Alex & Brady Scanlon.
