

AFTER YOUR VISIT

Share connections about art beyond the Gallery. You may like to look at photos at home from your visit to the NGV, draw and make your own art with simple materials, as well as watch videos and look at images of NGV exhibitions and artworks online to continue the conversations.

DEMENTIA-FRIENDLY NGV PROGRAMS

Join a dementia-friendly program facilitated by trained NGV educators. These programs offer a relaxed pace and supportive environment where no prior art knowledge or experience are required. There are also opportunities to build confidence and skills to use the Gallery as a social space and enjoy the Collection for meaningful engagement for future independent visits to the gallery.

Contact ngvenquiries@ngv.vic.gov.au or +61 (03) 8620 2222 if you require further information or assistance.
